It's much more fun to talk about weddings than debt. But if you got engaged this Valentine's Day, it's important to tackle the topic together. Charting your assets and debt can give you a clear financial picture: bit.ly/2X1N9jL

You're engaged!

What to do before you say "I do"

Open up about debt.

Do you have student loans? Credit card bills?

Get everything out in the open.
